"Be the change you wish
to see in the world"
Ghandi

I am convinced of the transformational impact of coaching. Helping Executives and managers to challenge their perceptions, think outside the box and grow as leaders is my greatest satisfaction

Ma vision

Image

I believe that every client has the capacity for achieving excellence as long as they have the courage to challenge their perceptions, think outside the box and embrace change. If their vision is founded on clearly articulated goals and a realistic plan of action I am convinced they will succeed.

Mon parcours

Image

I have more than 30 years of practical leadership experience in the social service sector and have worked with various organizations to facilitate a variety of planning initiatives including change management initiatives, brainstorming sessions, union negotiation and strategic planning. I hold a Masters Degree in Leadership from Royal Roads University, Certification in Emotional Intelligence, and my ACC designation with ICF
